**AMON, United States District Judge:**

Plaintiff George Heath filed a request for certificate of default against defendants in the above-captioned action on April 30, 2012. On that same day, the Court issued a memorandum and order denying Heath leave to file his complaint in this action and, in any event, dismissing the action as precluded by prior litigation. Defendants were not in default at the time the Court dismissed this action. Heath's application is therefore denied.

SO ORDERED.
